THE END OF HIGH M.O.Q'S

Through the MyTube low volume program Multitubes makes the highest quality tubes available for low volumes starting from order volumes of only 1,000 units. The MyTube program can be the perfect solution for start ups, sample productions or private label projects where high volumes simply are not an option. All tubes in The MyTube program are featured with first user guarantee seals and are equipped with an E.V.O.H barrier.

ENDLESS DECORATING OPTIONS

All your ideas and design can be easily converted to reality. The combination of digital printing and wrap around labels provide a non label look where every form of creativity can be converted from vision to reality. By using digital printing techniques high set up costs belong to the past. Metallic colours can be achieved as well.

4 WEEK LEAD TIME

Multitube stands for fast delivery. All tubes from the MyTube program are supplied within a maximum of 4 weeks after final artwork approval.
